THE CLUBHOUSE PROJECT DAY SERVICE LIMITED

The Old Georgians' Clubhouse
St George's College, Weybridge Road,
Addlestone, Surrey KT15 2QS

OFFICE NUMBER:- 01932 988708

THE CLUBHOUSE PROJECT DAY SERVICE LIMITED

When you arrive at St George's College, travel through the barrier at the entrance to the Campus where you will notice straight ahead of you some red and white bollards and a sign post marked deliveries.

Travel down until you reach the stop sign and traffic lights (with the college reception straight ahead of you). Once the lights are green, please proceed along the road keeping the chapel on your left and the tennis centre on your right. Continue down with the rugby pitch/white house on your right and this will bring you into the car park and entrance to The Clubhouse Project.

On leaving the Clubhouse car park, you will notice a stop sign and a set of traffic lights next to the white house on your left. Once green, follow the one way system until you get to the tennis centre, at which point you will need to steer to the right and wait at the barrier until the lights change. This will bring you back past the chapel on your right and you proceed back along the red and white barriers with them on your right, leading you to the exit of the campus.
