

Dear Parents, Carers and TCP family

It has been another mixed week weather wise, but I hope you have managed to enjoy some time outside. It is lovely to see the Spring flowers out in bloom and gives us hope that the warmer weather is round the corner.

Thank you to everyone who has informed me so far of your son or daughter's vaccination dates.

Please can I ask you to please email me once you do receive a date so we can add it to our records.

Those of you who have had your first vaccine will be receiving your certificates in the post! *Keep your eyes peeled!*

Talia getting her 1st vaccination this week

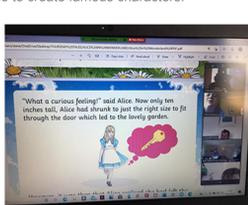

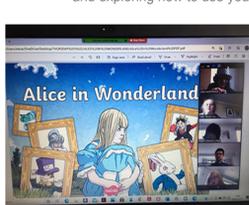

Zoom success

It has been really helpful to have received your positive feedback about our new zoom sessions that commenced this week. Please remember that [the timetable is on our website if you would like to download it.](#)

First session of Bingo this week was a great hit!

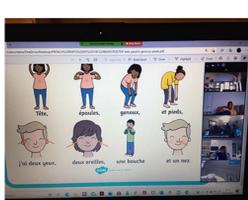

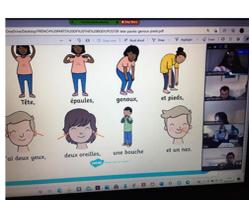

Below is our Thursday Tales. Lisa A reading well known stories from Disney/fairytales and exploring how to use your voice to create famous characters.

French Zoom this week was Head, Shoulders, knees and toes.

Everyone learned the vocabulary first and then did the actions to a music video.

What you have been up to this week

Rosie won a prize in a RDA (horse riding) art competition this week.

Robert's goats cheese and spinach muffins.

Another puzzle complete. Well done Alex!

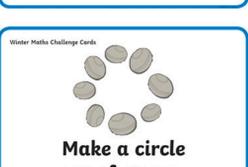

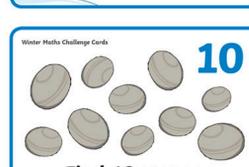

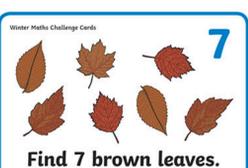

Sarah has been busy decorating her guitar this week. Looks lovely Sarah.

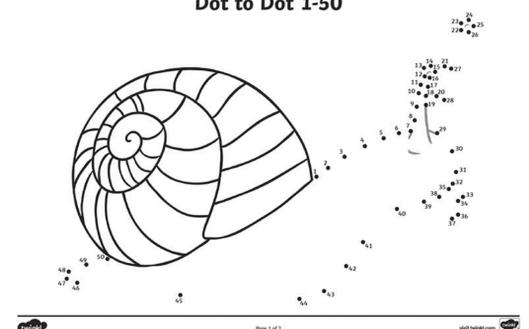

Boredom Busters

You can download PDF files below for these great activities: Click on the pictures to download or follow these links:
