Dear Parents, Carers and TCP family

It was lovely to see so many of you this week when I stopped by to drop off your bird boxes. It was reassuring to know that you are all keeping safe and well.

I hope you enjoyed taking part in the RSPB bird challenge last weekend and you are keeping busy designing your bird boxes. Don't forget to send in any photos of your finished designs.

As of the 15th February we will be adding some additional zoom sessions to our timetable. I will confirm the days and timings of these next week. The updated timetable will be sent out to you next Friday and will be available to download from our website.

Keep safe and best wishes

Lisa

Commonwealth War Graves Valentine's Day Ideas

Spring is here and the risk of frost has passed.

Flower seeds grow faster than others, but you should see flowers appear by April.

Plant the seeds in the ground & cover with soil.

Water the ground just after you scatter the seeds.

Pots if using a pot make sure it has holes & use peat free compost.

Comments with war graves ideas please.
